GENERAL POLICY CONDITIONS

Assignment
This Policy or any benefit may not be assigned by you without our written consent.

Cancellation
You may cancel the insurance, by giving 30 days notice. Please call ITHC:
Telephone: +44 (0) 1689 892 228
We may cancel this Policy or any cover hereunder by giving you 30 days written notice at your last known address.

When the Policy is cancelled the premium for the period up to the date when the cancellation takes effect shall be calculated and we shall return any unearned portion of the premium paid provided no claims have been advised or paid. Where you cancel the Policy the unearned portion of the premium paid will be subject to a minimum charge of £/€ 35 inclusive of local tax (if applicable).

Note: Please refer to page 46 Cooling-Off Period in respect of cancellation within the first 14 days of cover.

Choice of Law and Jurisdiction
This Policy, schedule and any endorsements shall be governed by and construed in accordance with the law of England and Wales. Each party agrees that the Courts of England and Wales shall have exclusive jurisdiction in respect of any dispute which may arise out of or in connection with this Policy or any claim.

Claims
When a claim or possible claim happens, you must tell us within no later than 30 days.

You must get and act on advice from a medical practitioner and have any medical examination that we ask and pay for. You must give us (at your expense) any documents, information and evidence we need. If you die we will be entitled to ask for at our expense, a post-mortem examination. If you die we will deal with your personal representative.

Claims Co-operation
You shall in a timely fashion provide assistance and co-operate with us or our representatives, in obtaining any other records deemed necessary to evaluate the incident or claim. In no event are we liable to pay any claim unless you co-operate fully with us and/or our representatives in the investigation of the claim.

Emergency and Medical Service
If you go into hospital abroad and you are likely to be admitted as an in-patient, or before any arrangements have been made for repatriation, or in the event of curtailment you must contact the Assistance Company immediately. If you do not, we may not provide cover and we may also reduce the amount we pay for medical expenses. If you receive medical treatment abroad as an outpatient, you should pay the hospital or clinic and claim back your medical expenses from us when you return to your home location. If your outpatient treatment is likely to cost more than £/€ 500, you must contact the Assistance Company immediately.

This service is available to you and operates 24 hours a day, 365 days a year for assistance, making arrangements for hospital admission, repatriation and authorisation of medical expenses. If this is not possible because the condition requires immediate emergency treatment you must contact the Assistance Company as soon as possible. Private medical treatment is not covered unless authorised by us.

The Assistance Company has the medical expertise, contacts and facilities to help should you suffer an injury in an accident or fall ill. The Assistance Company will also arrange transport back to your home location when this is considered to be medically necessary.

Excess Option
Under most sections of this Policy you have to pay an excess. The excess applies to each person claiming and to each incident and each section of the Policy you claim under. If you pay an extra premium, the Policy can include an ‘excess waiver’ which will remove all excesses (except for increased medical excesses because of medical conditions or sports and activities). For a reduced premium the Policy can include a ‘double excess’, in which case all excesses will be doubled (except for increased medical excesses because of medical conditions or sports and activities).
Extension of Policy Cover

If you are unable to complete the journey within the number of days shown on the schedule, due to:

a) death, injury or illness to you or any person travelling with you; or
b) a delay of or an interruption of public transport services.

We will extend your Policy, without charge, for the additional days necessary for you to complete the journey. Cover will automatically be extended day by day up to a maximum of 30 days after the expiry of the period of insurance as stated on your schedule of cover, when the return is necessarily delayed, as a result of the ill health of you, provided the Assistance Company has been notified; or through the failure of public transport.

Fraud and Misrepresentation

This Policy will be void in the event of misrepresentation, misdescription or non-disclosure of any material fact made by or on behalf of you. If any claim submitted under this Policy by you or a person acting on your behalf shall in any respect be false or fraudulent, we shall be under no liability to make payment in respect of such claim and any amount already paid by us must be paid back.

Interest

No sum payable under this Policy shall carry interest.

Limitations

In no case shall our liability in respect of you exceed the largest sum insured stated in your schedule and described in the Table of Benefits.

Mid Term Adjustments

Any amendments or adjustments made to your schedule and/or Policy will be subject to a £/€20 inclusive of insurance premium tax (IPT) administration fee.

Observance – Failure to Comply with Policy Conditions

Our liability to make any payment under this Policy shall be conditional upon your observance of all terms, provisions, conditions and endorsements of this Policy. Where you do not comply with any obligation to act in a certain way specified in this Policy, this may prejudice your position to recover under any claim.

It is a fundamental condition that you shall at all times comply with all terms and conditions of this Policy that require you to act or not act in a particular way as specified. Failure to comply will result in you forfeiting your right to the Policy cover.

Pregnancy and Childbirth

We provide cover under this Policy if something unexpected happens. In particular, we provide cover for injuries to the body or illness that was not expected. We do not consider pregnancy or childbirth to be an illness or injury. To be clear, we only provide cover under the Travel Disruption Section and Medical Expenses section of this Policy, for claims that come from complications of pregnancy and childbirth. Please make sure you read the General Exclusions Section on page 43.

Reasonable Precautions

You must take all reasonable steps to avoid or minimise any loss or damage likely to give rise to a claim under this Policy.
Reciprocal Health Agreement

European Union

If you are travelling to countries in the European Union, Iceland, Liechtenstein, Norway or Switzerland, we strongly recommend that you take a European Health Insurance Card (EHIC) with you. You can apply online at www.ehic.org.uk or by telephoning +44 300 330 1350. This will entitle you to benefit from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland. You should take reasonable steps to use these arrangements where possible.

If we agree to a claim for medical expenses which has been reduced by you using an EHIC you will not have to pay the excess amount under the Medical Expenses Section. Where it is necessary for you to provide evidence of the medical costs incurred, this must show that the medical fee has been reduced by use of the EHIC.

For further information about the EHIC, please refer to the ‘Health Advice For Travellers’ booklet from the Post Office or visit the Department of Health website www.dh.gov.uk/travellers.

Australia and Non-European Economic Area (EEA) countries

When you are travelling to Australia and you have to go to hospital, you must enrol for treatment under the National Medicare Scheme. The UK has reciprocal healthcare agreements with other non-EEA countries and territories. Details can be found at www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx

Rights of Third Parties

The Contracts (Rights of Third Parties) Act 1999 or any amendment thereto shall not apply to this Policy. Only you and we can enforce any terms of this Policy which may be varied or cancelled without consent of any third party.

Tell us about a Change

You must tell us as soon as possible about any change in the information you have given us which is relevant to this insurance, for example, if there is any change in the information you gave us when the insurance started or was last renewed. If you do not tell us, your insurance may not be valid or may not cover you fully. If you are not sure whether any information is relevant, you should tell us anyway. We have the right to change any conditions of this insurance when you tell us about a change.
